Visa & Travel

Depending on their nationality, participants may require a visa to enter Switzerland. Students are responsible for arranging their own visa, travel to and from Zurich, and any necessary travel or health insurance. We recommend checking entry requirements well in advance and booking flights only once admission and any required visa have been confirmed.

Social Program

In addition to the academic program, participants can enjoy a varied social program with cultural activities, excursions and opportunities to explore Zurich and Switzerland. The social program is a great way to connect with fellow students from around the world and experience Swiss culture. Optional activities from previous years include a Zurich city tour, Uetliberg hike, Schaffhausen & Rhine Falls day trip, a traditional Swiss dinner, and a BBQ.
